## QUICKCABLE Your Best Connection — NEW $6.95

### Battery Box

The New 2010 QuickBoxô battery boxes are better than ever. We've improved our lid design with an easy-on, easy-off QuickLockô feature and we've added mounting holes to the carrying handles, giving you even more ways to secure the box. We've also improved our group size selection by adding more boxes to the automotive, light truck, marine and RV market.

**2-09012** 120179-012 **Battery Box Group 24 White**

## HENG'S — NEW $41.19

### Vortex Fan

Update your old, inefficient powered vent easily without compromising the rooftop seal. Just replace your existing screen with the Vortex upgrade kit. Make your outdated vent more powerful without buying a whole new and expensive vent. Replacement is easy and only a Phillips screwdriver is needed. Tampering with the rooftop seal is NOT necessary. The Vortex vent works with Vent line, Jensen and Hengs powered U.S. vents. Non-powered vents can be converted with some additional wiring. Need a whole new vent? No problem! Just order a complete Vortex Vent (garnish not included).

**3-00043** 90043-CR **Vortex Fan Kit**

## HUSKY TOWING PRODUCTS — NEW $152.99

### Husky Brute Power Jack

The Husky Brute is loaded with features not found on some other power jacks. The Brute is powerful, with a capacity of up to 4,500 lbs. for Model HB4500 (3,000 lbs. for Models HB3000 and HB3000/2). It's fast, with a travel speed as fast as 10 inches in 38 seconds. It does the job, with an 18 inch full stroke and 6 inch drop down leg (except Model HB3000/2, which does not have a drop down leg). It's tough, with hardened steel gears; secure, with weather protected switches and a water resistant enclosure; versatile, fitting all A-Frame couplers and economical, with a low 25A draw at rated load (HB4500) or 15A (HB3000 and HB3000/2). Convenient, with three LED work lights (the most you'll find on a power jack), a built-in connector storage bracket not found on any other power jack, and a 30A circuit breaker. Model HB4500 also includes a level.

**hb4500** HB4500 **4500 Lb Power Jack, 2-1/4 Dia**

## FlameDisk — NEW $2.79

### Flame Disk

Try the FlameDisk. It lights instantly and burns for 45 minutes, easily enough time for a couple of rounds of grilled food. Put it in your Old Smokey Charcoal Grill, peel the lid and light. It only takes one match. The perforated top plate - also known as the SmokerPlate - is another advantage. When juices drip off food, they land on the plate providing true flame-grilled taste.

## WINEGARD $599.00

### Carryout Automatic Portable

Compact, fully automatic portable satellite TV antenna that goes with you anytime, anyplace! Perfect for RVing, camping, tailgating, races, wooded areas, cabins, vacation homes, back yard BBQ's and so much more! You'll be amazed at how easy this antenna is to set up and operate! No extra remote controls needed or buttons to push - the Carryout is 100% automatic! Runs off of 12V and plugs into standard 12V outlet in your vehicle. Single satellite viewing antenna supports 2 single receivers so you can watch different programs as long as they are on the same satellite. Receives standard DIRECTVÆ programming and all standard and HD programming for DISH NetworkÆ and Bell TV. Not compatible with DIRECTV KA-band satellites. Features easy grip handle for effortless carrying. Eyelet attached to base provides ability to lock up antenna for added security. Includes 50' power and coax cable. Lightweight and durable: 15.6" dome height, 20" diameter. Unit weight 13.5 lbs, shipping weight 20 lbs.

**5-84700** GM-1518 **Carryout Automatic Portable**

## SAFETY STEP — $44.99

### Folding Safety Step

Unique self-leveling design, anti-tip base prevents tipping. Non-slip rubber leg tips and gripper, rugged all-aluminum welded construction that will not corrode. Large and small folding available with double locking safety legs. Professional Step features solid cast aluminum top with Safety Step logo cast in platform.
